The Enduro is one of the 4 events the Boosters put on each summer at Cabrillo Beach. These events would not be possible without many local sponsors including the San Pedro Central, Coastal, and Northwest Neighborhood Councils, the Port of Los Angeles, Councilwoman Janice Hahn, Supervisor Don Knabe, City of Los Angeles Department of Recreation and Parks and many other local businesses and individuals that support them each year with their contributions.

From the website, the posters, the help with sponsors, these two individuals have countless hours to insure the 4th Annual Enduro was the best.
